

12 Sided Studios | Media Kit

Manchester based multimedia production company, founded by Jasper William Cartwright and Chad Pytel - producers of [3 Black Halflings](#) and [Rotating Heroes](#)

About Our Founders | Jasper William Cartwright

Jasper William Cartwright is an actor and producer across multiple mediums including TV, Film, Podcast & Video Games. He is starring in leading roles for an upcoming feature film & TV series, while also playing large supporting characters in video games, including Sven in Dragons Dogma 2 and Errol in War Groove 2.

Since founding and hosting the award-winning [3 Black Halflings podcast](#), Jasper has established himself as a key figure in the TTRPG scene and has subsequently guested on countless Actual Play shows including [Not Another DnD Podcast](#) (2022), [Dark Dice](#) (2023), The Dungeon Run (2022), [Dimension 20's Burrows End](#) (2024), [Critical Role's Re-slayer's Take](#) (2024), and collaborating with Zac Oyama on the [Rotating Heroes Podcast](#) as the Game Master.

As CEO of 12 Sided Studios, Jasper leads sales, our creative efforts, as well as day-to-day operations.

About Our Founders | Chad Pytel

Chad Pytel is a long-time player of Dungeons & Dragons and other TTRPGs. With a background in software development and design, as well as theatre and video production, Chad has spent the last 21 years working in the tech world as Founder and CEO of [thoughtbot](#), a web and mobile design and development agency.

Chad has co-authored multiple books, presented at conferences around the world, and is also co-host of the [Giant Robots Smashing Into Other Giant Robots Podcast](#). A long-time follower of Jasper's work in the TTRPG space, including [3 Black Halflings](#), Jasper and Chad first played together in 2023 at a company-retreat for thoughtbot, shortly followed by D&D in a Castle. Chad is thrilled to be levelling up his life-long hobby with 12 Sided Studios.

As Executive Producer of 12 Sided Studios, Chad leverages his business and technical experience for our operations.

About 12 Sided Studios

With their combined expertise, Jasper and Chad have established a multimedia company dedicated to producing the content they love, based in the UK. With a high-end in-house recording studio, and partnerships with a wider network of larger studios as well, 12 Sided Studios has the capacity to manage productions of any size - from large scale TV, film, and video game productions, to more intimate Actual Plays, high-quality board game playthroughs, in-person podcast recordings, and more.

The studio offers the gaming sector an opportunity to capture gameplay in high definition, and show off key features to their audience in high-quality formats designed to engage, without breaking the bank. With the ability to oversee a project from start to finish, 12 Sided Studios offers its clients full service content creation with access to a network of highly

regarded professionals in all fields including animation, voice overs, acting, editing, writing, directing - and we're just getting started!

Current Productions

3 Black Halflings

Three Black Halflings is a podcast by Jasper William Cartwright, Olivia Kennedy (but everybody calls her Liv), and Jeremy Cobb: three nerdy friends with strong opinions and even stronger Charisma scores. Join them in their quest to explore diversity in the incredible worlds of D&D and pop culture while doling out DM tips, thought-provoking conversations, a band of guests, actual plays, and good times!

Rotating Heroes

Started in 2020, The Rotating Heroes podcast is a hilarious D&D actual play podcast set in the homebrew world of Amellar, with each rotation - or arc - revolving around a new set of heroes! GM'ed originally by Dropout favourite Zac Oyama, the most recent arcs have been passed over to Jasper William Cartwright who GM's arc 11 onwards. Previous rotators include Ally Beardsley, Emily Axford, Brennan Lee Mulligan, Isabella Roland, Mike Trapp, Siobham Thompsen, Jacob Wysaki, Caldwell Tanner, Grant O'Brien, and many more!
